### Add a New Listing

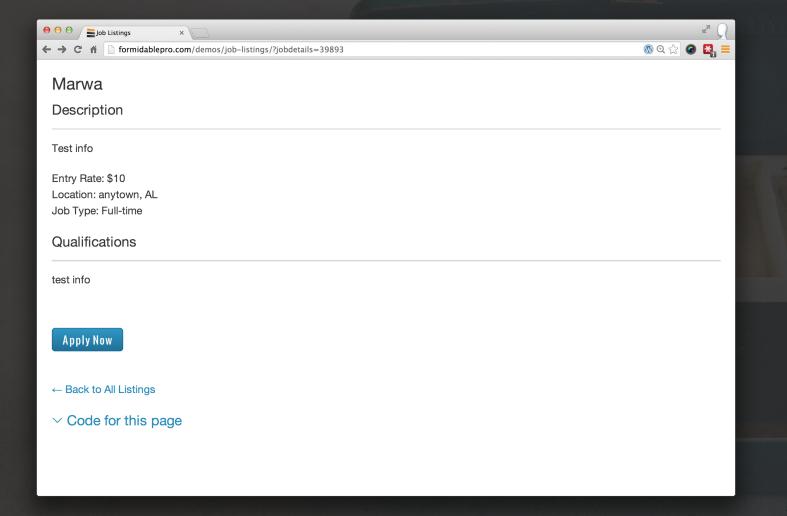

#### Job Listings

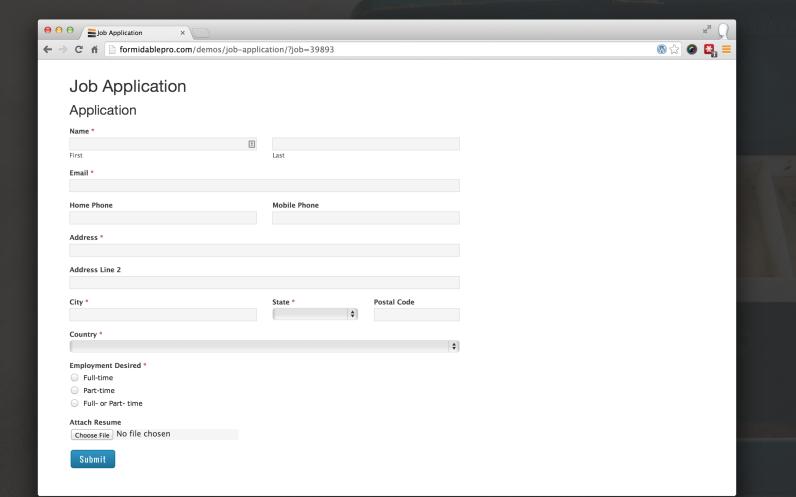

In this demo, you can view all job listings, apply for a job, and add a new job listing. In addition, you can search for specific jobs by category, pay, location, and title. For more information on Formidable's search forms, see how to create a search form. If you would like to learn how connect each application to the job being applied for, follow the instructions here.

Job Title		City	State 💠
